Description

We Can't Wait Any Longer: The Countdown is On!

3d tour: my.matterport.com/show/?m=KA7Hc7qf3Fj

With just a few weeks left until the expected completion in November 2024, we simply couldn't resist giving you an early sneak peek.

In San Vito, within walking distance from Cavana, a brand-new apartment **for sale directly from the owner** in one of the city's most prestigious buildings:

Communal garden, private SPA (with pool, Turkish bath, sauna, gym), and parking.

Solar panels, geothermal energy, ultra-high energy efficiency. 154 sqm of indoor space, plus 34 sqm of outdoor areas.

But that's not what will truly impress you: it's the best view in the city.

A two-level penthouse on the top floor, featuring three terraces, including one with a sunken bathtub, offering — by far — **the most unbeatable view money can buy in central Trieste**. If you find a better one, invite us over, and if you're right, the drinks are on us!

This is **not** a sale from a developer. While the building on Via Giustinelli does have units for sale from a developer, this is a private subdivision of an expansive unit. Throughout October, we'll be working on the usual 3D renderings, videos, etc. — but if you'd like to be one of the first to see it, let us know, and you'll be the first in line.
